Open Enrollment Options for Kindergartners

District 54 invites parents to its Virtual Open Enrollment Fair at 6 p.m. Jan. 26, 2022. The fair will provide parents with information on seven schools. Each of these schools houses a unique program and we anticipate a few openings at each site next year.

Applications are available at sd54.org/openenrollment/. People who cannot attend the virtual fair can still apply for their children to attend one of our open enrollment schools. The application deadline is March 4, 2022, and schools will begin notifying parents if their children were selected on March 18, 2022.

The fair will take place virtually on Zoom. Visit tinyurl.com/69ftwuc7 at 6 p.m. on January 26.
